RESTAURANT | LOUNGE

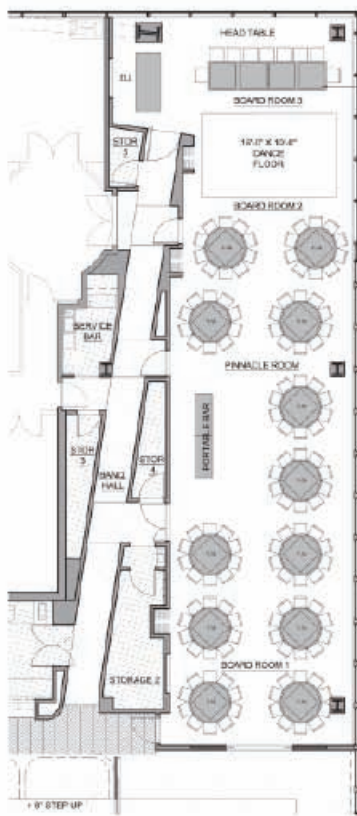

One of Philadelphia's most dramatic dining rooms, R2L sits 500 feet above the city on the 37th Floor of Two Liberty Place. With an eye to the future, Chef Daniel Stern takes the tradition of classic cocktail cuisine and brings it up-to-date with a modern twist, using his always-unexpected interpretation of American food. Featuring breathtaking wall-to-wall unobstructed panoramic views that span over 40 miles, R2L will be home to some of the most spectacular events this season.
